MITIGATION MEASURES

FACE COVERING OBLIGATION

Wearing a face covering will be mandatory in the venue as well as in the meeting rooms. Participants who won't have their own face covering will be provided with one.

CLEANING AND DISINFECTION

- We will provide all participants with hydroalcoholic individual solutions. Please use it frequently.
- We will place hydroalcoholic dispensers in every needed point and at the entrance of all meeting rooms. Surfaces that will be regularly touched (e.g. welcome counters, before the entrance of the meetings, tables, handrails, touch screens) will be regularly disinfected.
- The sanitary facilities of the hotel will be cleaned at high frequency. Hand washing and disinfection facilities will be provided at frequent intervals.

SUFFICIENT VENTILATION

The hotel will be equipped with efficient ventilation systems.

CONTACTLESS WAY

Door systems other than fire doors will be permanently opened to reduce contact with surfaces.

KEEPING DISTANCE

MAINTAIN SOCIAL DISTANCING

It is a clearly key point to avoid the spread of the virus. We ask all the participants to make sure, as much as they can, to keep required distance with each other.

NO-HANDSHAKE POLICY

Please do not shake hands and avoid any physical contacts.

NETWORKING

- Please note that due to the current sanitary situation, we will do our best to have side events, such as networking opportunities, activities & social events, in compliance with all the restrictions in place. We however depend on the measures which will be in place in December, in France and will have further information to provide, closer to the General Assembly.
- If a participant wishes to go out of the hotel, we will recommend that he does so with members of the FIA delegation only. Contact with non-pretested persons should be avoided.
- The spaciousness of the indoor and outdoor areas will allow for networking and exchange of ideas while maintaining minimum distances.

GENEROUSLY PROPORTIONED SPACE

- We will always ensure that regulatory social distancing will be maintained in each meeting rooms and circulation area.
- To protect all participants, we will adjust the seating and the number of seats. In meeting rooms, standing will not allowed. Where necessary, we will determine separate entrance and exit.
- Please make sure to respect the seating setup in the rooms. If possible, please keep the same place for the entire day.

Attendance at the FIA Annual General Assembly 2021 & FIA Prize Giving 2021 is entirely voluntary. It is acknowledged by all who decide to attend that the measures outlined serve only to mitigate the spread of infection and provide no guarantee against the occurrence of positive cases of COVID-19 during the event.
