CONNECT  BLACK SEA

A Blue Growth Initiative for Research and Innovation in the Black Sea

For a shared vision of a productive, healthy, resilient,
sustainable and better-valued Black Sea by 2030

This project has received funding from the European Union's Horizon
2020 Framework Programme for Research and Innovation under grant
agreement No 860055

BLACK SEA RESEARCH AND INNOVATION PRIORITIES

Black Sea Knowledge Bridge

- Innovative multidisciplinary research
- New knowledge to mitigate multi-stressors
- Integrate land-sea connection to deep basin

Blue Economy

- Create synergy for resilient and empowered communities
- Create incentives for maritime innovation in existing blue economy sectors (e.g. food, transport, tourism)
- Nurture new and emerging blue growth sectors

Key Infrastructure and Policy Enablers

- Smart integrated observing systems
- Alignment of working methodologies/national policies
- Support start-ups towards circular economy and harness industry 4.0 technologies

Empowered Citizens and Blue Work Force

- Support learning and education, and training for marine and maritime jobs
- Empower ocean-engaged citizens
- Enhance science policy dialogue
