- Cecoforma SA, AUmediage, U Services Management Intrasoft, Action Global Communications Ltd.: contact@europeanclusterconference.eu
- Cecoforma's approved third-party authorised sub-processor: Aventri (registration tool for all participants), Fielddrive (onsite badging for all onsite participants), used to organise and support event activities on behalf of EISMEA and the European Commission.

The legal basis for the processing activities are:

- Article 5(1)(a) of Regulation (EU) 2018/1725 because processing is necessary for the performance of a task carried out in the public interest (or in the exercise of official authority vested in the Union institution or body)² laid down in Union law;

- Article 5(1)(d) of Regulation (EU) 2018/1725 based on your explicit prior consent for your non-mandatory personal data indicated below.

The purpose(s) of this processing are to: register and manage participation of interested persons to the European Cluster Conference side events; provide related follow-up activities such as satisfaction survey, communication concerning the event, post event communication, invitation to the next edition, management of lists and mailing-lists for contacts, presentations, live web streaming and/or audio and video recording of speakers and participants, for internal statistical reporting. An additional purpose is to share a participants list via email to all participants for networking purposes. Upon registration, you can give your explicit consent to have your data shared with other participants. Without your consent your data will be removed from the participants' list.

The following of your personal data are collected: your title, first name, family name, organisation, function, professional email address, phone number, website, country, city, role, sector, ECCP registration status, project affiliation (when relevant). All personal data are **mandatory** for the purpose(s) outlined above.

In addition, the following **non-mandatory** personal data are collected: questions in regard to the organisation of the event onsite.

For onsite participants, please note that **photographs and/or videos** of you will be taken during the event and might be used for related communication purposes via EISMEA website, EISMEA social media accounts (LinkedIn, Twitter), the European Cluster Collaboration Platform (ECCP) and its social media accounts (LinkedIn, Twitter, Flickr, YouTube), participants' social media accounts and promoting communication channels (international press). Upon registration, you can give your explicit consent to have your image/voice recorded and published on related communication channels. In the absence of your consent, the organiser will try to find suitable alternatives, so that you can fully take part in the event, e.g. by offering an alternative area to follow the event.

¹ Regulation (EU) 2018/1725 of the European Parliament and of the Council of 23 October 2018 on the protection of natural persons with regard to the processing of personal data by the Union institutions, bodies, offices and agencies and on the free movement of such data and repealing Regulation (EC) No 45/2001 and Decision No 1247/2002/EC (OJ L295/39 of 21.11.2018).

² *EISMEA Establishment Act*: Commission Implementing Decision (EU) 2021/173 of 12 February 2021 establishing the European Climate, Infrastructure and Environment Executive Agency, the European Health and Digital Executive Agency, the European Research Executive Agency, the **European Innovation Council and SMEs Executive Agency**, the European Research Council Executive Agency, and the European Education and Culture Executive Agency and repealing Implementing Decisions 2013/801/EU, 2013/771/EU, 2013/778/EU, 2013/779/EU, 2013/776/EU and 2013/770/EU (OJ L 50/9 of 15.2.2021)

The recipients of your personal data will be the authorised staff of the EISMEA Agency and Commission in charge of the organisation and follow-up of the event, EISMEA's contractor and sub-contractors as Cecoforma SA, AUmediage, U Services Management, Intrasoft, Global Action Communications Ltd., contractor's approved third party tools, staff of EISMEA's contractors in charge of the European Cluster Collaboration Platform and bodies in charge of monitoring or inspection tasks in application of Union or national law (e.g. internal audits, Court of Auditors, European Anti- fraud Office (OLAF), law enforcement bodies). In addition, EISMEA will collect your first name, last name, and professional e-mail address to potentially contact you and to invite you to the next editions of the European Cluster Conference.

The participants list will be distributed to other participants via e-mail, for networking purposes, and will include - for those who provide explicit consent - the following information: first name, family name, organisation, function, professional email address, country, role, sector.

The event will be organised **using the following tools**:

For the purpose of registering to the event, including collecting their personal data for the confirmation of participation, Aventri, third party tool under Cecoforma (contractor) responsibility, collects from sessions organisers, moderators, speakers, exhibitors and participants title, first name, family name, organisation, function, email address, country, role, sector, beneficiary.). It hosts the collected personal data on servers in the EU. For information on how Aventri uses cookies and processes personal data, please consult this link: <https://www.aventri.com/privacy-policy>

Onsite participants will be asked to show their ID at the entrance for registration compliance and may be required to show their COVID safe ticket, if applicable, during the event period under the Czech government regulations applied.

The following technical and organisational security measures are in place to safeguard the processing of your personal data:

- Data minimization: We only collect and process the strictly necessary data for the correct execution of our missions.
- Organizational measures: We follow internal policies & procedures and deliver training to employees and partners.
- Our partners and sub-contractors are bound by contractual clauses defining the same level of data protection; data processing agreements set out the nature of processing and the type of data they are mandated to process according to our instructions.

The processing of your data will not include automated decision-making (such as profiling).

Your personal data will be kept for a maximum period of **10** years after the end of the Single Market Programme (SMP). Data will be deleted at the end of this period.

You have the right to access your personal data and to request your personal data to be rectified, if the data is inaccurate or incomplete; where applicable, you have the right to request restriction or to object to processing, to request a copy or erasure of your personal data held by the data controller. If processing is based on your consent, you have the right to withdraw your consent at any time, without affecting the lawfulness of the processing based on your consent before its withdrawal.

Your request to exercise one of the above rights will be dealt with without undue delay and within **one month**.

Your right to information, access, rectification, erasure, restriction or objection to processing, communication of a personal data breach or confidentiality of electronic communications may be restricted only under certain specific conditions as set out in the **applicable Restriction Decision** in accordance with Article 25 of Regulation (EU) 2018/1725.

If you have **any queries** concerning the processing of your personal data, you may address them to Head of Unit SMP/COSME-Pillar Unit I.02 of the EISMEA (entity acting as data controller) via EISMEA-COSME-DP@ec.europa.eu.

You shall have the right of recourse at any time to the EISMEA Data Protection Officer at EISMEA-DPO@ec.europa.eu and to the European Data Protection Supervisor at <https://edps.europa.eu>.
