

RE: Mobile World Congress: Invitation to the Department for Science, Innovation and Technology, Digital Infrastructure Reception at the UK Pavilion @ 2pm 28 February 2023

Good morning/afternoon

We will be holding a Digital Infrastructure reception at the UK pavilion situated in Hall 7, stand B41 at Mobile World Congress. If you or your colleagues are planning on attending the congress this year we would be delighted to welcome you to the stand on 28 February at 2pm.

Hear about UK Government developments and investments in digital infrastructure including insights from the £250m Open Networks Programme, our Digital Connectivity Infrastructure Accelerator programme and our forthcoming Wireless Infrastructure Strategy. This ambitious programme will help to develop thriving UK telecoms ecosystems that will form the foundation of future UK Capability in the telecoms sector, including 6G development.

There will also be introductions to UK Government funded projects UK Telecoms Innovation Network and SmartRAN Open Network Interoperability Centre (SONIC).

We look forward to seeing you there!

2pm	Reception begins
2.10pm	Welcome from the UK Government's Digital Infrastructure team
2.20pm	Introduction to SmartRAN Open Network Interoperability Centre
2.25pm	Introduction to UK Telecoms Innovation Network
2.30pm	Networking and drinks
